***SERIOUS ISSUES HAVE NOW OCCURED BETWEEN ME
AND UOFL POLICE.***

***I was completely prevented from making a complaint and or report ,
I was intimidated , and nearly ran over by a vehicle ,
I was woken up at 8am, taken to the police station for quesitoning ,
Let go , due to a lack of further information in a , falsified investigation of harassment
by Robert Kubash at the DTC.***

***I was never given a report from this investigation , told different information of 5 different
occurances , and then denied and yelled out of the building after asking to process a complaint.***

Date	Issue / Location of Issue	Resolution and Remedial Steps Taken	Time / Hours
10 – 02 – 2024	- Messaged my teacher for help turning in material , Material could not be turned in , and I failed the course , and I want my \$500 dollars they promised me twice for doing the program twice.		4

10 – 04 – 2024	<p>My house , and the Uof L , police department. The UofL police department had came to my house , woke me up , and asked to bring me to the police station , to question me about harassment.</p> <p>The officers , - Officer Robinson - did not give me any proper follow up information on that day.</p>		6
10 – 06 – 20204	<p>- I IMMEDIATELY walked back down to the UofL Police department , and had been requesting a copy of the police report.</p> <p>I had needed the copy to finish my other report into some very important , school ethics and policy violations , and I had asked for a copy of this on this day , and many days following .</p> <p>On this day , I was approached by Officer Luckett.</p> <p>I clearly informed Officer Luckett of my needs surrounding getting a police report , and we went back into a little room for some time as he listened to my case.</p> <p>At the end of our discussion , it seems he was trying to brush off my needs and concerns , as I had expressly told him that I had came down there that day to get a copy of a police report.</p> <p>I was also almost struck by a police vehicle on this day , on my way inside the building , that a officer crockett was driving on this day , I have video footage of this that we can review as well , as I felt a bit like there was some intimidation trying to happen there. .</p> <p>Anyhow I had asked Luckett for a copy , and he took my paper personally , and explained to me that , HE WOULD give me a response , and that response should occur within 48 – 72 hours.</p> <p>- I asked Luckett at that time , Okay , well how Am I supposed to get this document at that time ?</p>		6

	<p>(As he seemed he did not have a clear answer)</p> <p>He looked at the paper , the police report request ,</p> <p>and asked me if my email was correct , I said yes it was , and he responded that he would email me the report , once it came back in , and continued to assure me that it would be taken care of.</p> <p>I never received the report from 10/04/2024 From Sgt Luckett..</p> <p>This Violated KRS -</p> <p>As well as it Violated -</p>		
10 / 11 / 2024	<p>I called the UofL Police station and was asking about my report ,</p> <p>I was told to email an officer named devon hall.</p> <p>- I received a response from officer devon.hall@uofl.edu (or something similar)</p> <p>That instructed me to fill out a digital copy of the form for request , of a police report.</p> <p>I had filled this out and returned it back to the email belonging to officer devon hall ,</p> <p>--- After a week or so of no response , I emailed back , and still got no response.</p>	<p>Blatent and Negligent Violation of the</p> <p>Open Records Act, KRS 61.870 to 61.884</p> <p>- Referred to here , https://www.ag.ky.gov/AG/Publications/OpenRecords/Open%20Open%20Meetings%20Acts%20Guide%20per%20KRS%2015.257.pdf</p>	<p>4 ,</p> <p>2hrs once , and 2hrs for another contact attempt.</p>

<p>10 / 16 / 24 (or so)</p>	<p>I had then walked again , back down to the UofL police station , and I had then talked to the dispatch person there, after waiting around 30 minutes or so , as he approached the window.</p> <p>His name is george , and he has worked here for over 25 years , as the dispatch personell , so I expected to be able to get some type of consistent repsonse from him , when I told him ,</p> <p>- I need to speak to him an officer about , getting a copy of that report , and making a report for a school violation I was claiming that occurred to me as a student , under my student rights.</p> <p>-- George quickly took my paper from me , and then assured me that I would reveive a response from him , phone call, within 24 – 48 hours of the request.</p> <p>Then, george brought out an officer whom I had recognized as the officer trying to intimidate me by running his car in a circle with his lights on and directly just sitting in my walkway.</p> <p>Officer crocket , or something similar.</p> <p>--- I was trying to pursue my original request of making a police report against</p> <p>The digital training center ,</p> <p>- Train the trainer program located online here ,</p> <p>https://dtctraining.louisville.edu/collections/dlt3</p> <p>As my claim that it is Violating te Articles of Research of the University of Louisville ,</p> <p>https://louisville.edu/president/boards/research/governance/articles-of-incorporation</p> <p>under the provisions of KRS 273.161 to 273.390 Becasue the classes are only and solely about paying people for the products of one corporation ,</p>	<p>Blatent and Negligent Violation of the</p> <p>Open Records Act, KRS 61.870 to 61.884</p> <p>- Referred to here , https://www.ag.ky.gov/AG/Publications/OpenRecords/OpenMeetings/Acts/Guide/perKRS2015.257.pdf</p>	<p>30 hours /</p> <p>4 hours walking there ,</p> <p>4 hours walking back = 8 hours.</p> <p>Hours here are logged at triple time , due to unsafe and hazardous workplace environmets , and further needs of the technical resolution process , in contacting the attourney general afterwards.</p> <p>Therefore , this trip is being charged at the fair rate , of 24 hours.</p>

Which I didn't explain all to him then , but I told him I just needed him to write up a report for me ,

Because thats what Officer lucket instructed me to do , as the last time I had talked to him , he had told me to bring him a KRS , law , and he would write it up.

--- That officer at that time was extremely reluctant to even move forward , and told me too – call back later and talk too officer lucket about it.

So I , was like okay , fine , sure ,

and thats what I did.

-- so later ,

I had finally gotten officer lucket on the phone later that day , and I was asking about the police report first.

Officer luckett , had then told me that ,

..... Well I don't know , if he was just hit in the head as a kid and plum retarded or what but ,

- He didn't really know how to even get or process the report , and that I should wait until he had gotten a , even more ultra special , Chief detective on the phone about the case ,
So I waited around for this special dude.

And when I finally had , well had him around ,
Officer Lucket never passed the phone to him , he only asked , how to I give a guy a report?

And he instructed me with him to email , some email address , I think it was KORA@louisville.edu ,

So I said okay , and thats what I did.

-- Then I started to ask him about processing the original police request that he had TOLD ME and INSTRUCTED me to bring him , and he told me it was some stuff he couldn't do.

I then told him I was tired of walking down there , and messing with them , and that I just needed to file that report , or I was just going to go ahead and file a complaint.

1. He then was decent enough too look up the KRS's that I described above , and directed me to the District Attourney on the matter , and said that not even Metro Police could file a report.

(Later I had done this and spoken to a few federal attorneys on the matter as well , and , when I had spoken to the District Attourney in Jefferson County ,

They as well instructed me to request assistance from the State Attourney as well on the case.

)

10 / 30 / 2024	<p>- I never had gotten a response so I had walked down to the UofL Police station ,</p> <p>Strictly to make a report.</p> <p>After asking dispatch to get an officer for me to make a report , after waiting for 45 minutes ,</p> <p>-- I was finally given an officer , who was there too explain my needs.</p> <p>I told him that I just needed to make a complaint and get a copy of the and leave , and he had started to talk in circles , until I had finally had to ask</p> <p>Officer Jacob Robinson , Badge # 5717 , who was in fact the Officer unto whom had questioned me , about the original harassment</p> <p>- Over an email dispute between a student and a teacher , where the material could not be turned in ,</p> <p>That I just needed to make a complaint and leave , and I finally had to ask him if he was the officer , unto whom I should be speaking with to process a simple complaint.</p> <p>- He just looked at me and gave me , what I think was my first honest response of the entire charaded fascad, and said , - “No”</p> <p>I just said officer Robinson , can I PLEASE talk to the officer who can do that Who is that ?</p> <p>He finally said Lt. Minor.</p> <p>I said well officer Robinson , Im not trying to be rude , but I have spent a lot of time doing this and I don’t need to talk to you , can you please get him.</p> <p>So he did.</p> <p>15 minutes later , a much larger and older fat white</p>	<p>Blatent and Negligent Violation of the</p> <p>Open Records Act, KRS 61.870 to 61.884</p> <p>- Referred to here , https://www.ag.ky.gov/AG%20Publications/Open%20Records%20Open%20Meetings%20Acts%20Guide%20per%20KRS%2015.257.pdf</p>

	<p>guy came out , and his name was Lt. Minor.</p> <p>I had waited around an hour thus far to speak with this guy on this day , and I just looked at him and said , Lt. Minor , Hi , I just need to make a , complaint about a report , get a copy of that and leave.</p> <p>He began raising his voice and standing in front of me explaining how he needed to know more to continue ,</p> <p>I said Lt. Minor , I really don't have time to explain everything again , I just need to write down a complaint about not receiving a report , and get a copy and leave.</p> <p>Before I could finish he began yelling EXTREMELY LOUDLY at me and said ,</p> <p>YOU HAVE GOT TO TELL ME MORE ABOUT THIS FIRST OR YOU HAVE GOT TO LEAVE ,</p> <p>I got up politely and said , okay , but first , can I just have your badge # , (which was 5669) .</p> <p>And I was walking out the door and I said ,</p> <p>“Can you just tell me why I can't make a complaint before I leave ? as I pulled out my pen , “</p> <p>and he said ,</p> <p>“ BECAUSE YOU'RE LEAVING ” ,</p> <p>I said okay , I politely stopped , sat back down in my chair and said ok ,</p> <p>---- ‘ I need to make a complaint before I leave’ ,</p> <p>Then Lt. Minor yelled at me and said ,</p> <p>GET OUT GET THE FUCK OUT OF HERE NOW , GET OUT .</p> <p>I finally got up again and went to leave and I said</p>

okay sir ,

and as I was walking out I said to him ,

Thats fine ,

I don't know what your problem is , but your an
absolutely disrespectful mockery and a disgrace .

And that he had really just fucked up by doing that.

And then I Wished him a happy halloween as I
closed the door.

---- Now ,

I am here to request a , more respectful resolution ,
to my constitutional rights around this matter ,

To My Attourney General , The Honorable Russel
Coleman.

As I have been severely and gretly disturbed by this
matter and I am sure many others may have
been as well.

Thank you.
