Hello ,

in regards of processing a request , of a copy of a police report ,  
- from a time on 10 / 04 / 2024 , where I was woken up by two officers ,  
at 8:00am , and politely and most  
voluntary participated in questioning I had made , for harassment claims against myself , that was made by UofL  
administration , was withheld from me by UofL police department , and I have several documented and clear examples  
where ,

I was never given a response in writing.. to when or how I would receive that report.

where I was woken up at 08:00am , on 10/04/2024 , by two officers and asked to be taken down to the station, which I  
happily complied too.

I later asked for this report , and was told to wait and was eventually given the run around with NO response within 5 days  
on several occasions.

I have been attempting to get the police report from that day for months now , and I have had no response from UofL  
police department.

Lastly , I was rudely basically told to leave the station by a rude Lt. who would not process a complaint. - I don't know if  
that falls under FOIA or what that falls under so I would like assistance there as well.

- Please accept this as a (3) a brief letter describing the circumstances of the denial. , -----  
-----

In regards too KRS 61.880 , and a further description of the circumstances of denial

, I would like to explicitly underline that I received zero response when asking the UofL police station , ( and the very same officers  
that questioned me )

when simply asking for instructions on how to get my report , and getting my report on that occurrence , *on several occasions.*

-1 Was instructed too email a Officer Devon Hall , Devon hall confirmed my request , and sent me a picture to fill out  
which

- I filled out a form online , then , and emailed it back there as well.

i did and emailed it back too officer hall where I had never gotten a response - of any kind , ( See Attached Files )

So here , I am claiming..

the agency failed to respond in writing to a request, the same process may be used to initiate an appeal. In such cases, you would  
need to attach the original request and explaining that the agency's response was not included because of the agency's failure to  
respond to the request.

2. Officer Luckett then taken a hard.. paper copy of the report he had given me to fill out.. and then taken it from me , and  
told me specifically that I would get a response with it , FROM him , within 24 - 48 hours. I told him this was fine , and I  
could give him a week , when I later arrived m and through out this time , I never received any response from Officer  
Luckett.

So here , I am claiming..

the agency failed to respond in writing to a request, the same process may be used to initiate an appeal. In such cases, you would need to attach the original request and explaining that the agency's response was not included because of the agency's failure to respond to the request.

---Although I could attempt to make a copy of this report , the hard copy was taken into possession of UofL police as per instruction by one of their officers.

So that is why I cannot give you That specific hard copy.

3. George , who is the department communications manager , told me to fill it out ( A Request form for my Report ) and give it too him , that he would get me a response within 48 - 72 hours.

- On another occasion.

So here, I am claiming,.

the agency failed to respond in writing to a request, the same process may be used to initiate an appeal. In such cases, you would need to attach the original request and explaining that the agency's response was not included because of the agency's failure to respond to the request.

4. On the final Occasion on 10 / 30 I was rudely basically told to leave the station by a rude Lt. who would not process a complaint.

So here, I am claiming,.

the agency failed to respond in writing to a request, the same process may be used to initiate an appeal. In such cases, you would need to attach the original request and explaining that the agency's response was not included because of the agency's failure to respond to the request.

- If you need any more information or validation of these occurrences or requests I have made , I will happily get back in contact with Mr. Robinson Directly on your behalf to confirm this , for convenience if needed.

Mr. Robinson , Badge #5717 at the UofL police department , is the Officer who has questioned me on the second of October in the year of twenty twenty-four

Was only one there who I believe is a pretty straight cop who has not yet mislead me, and has already told me that he can confirm these instances if need be.

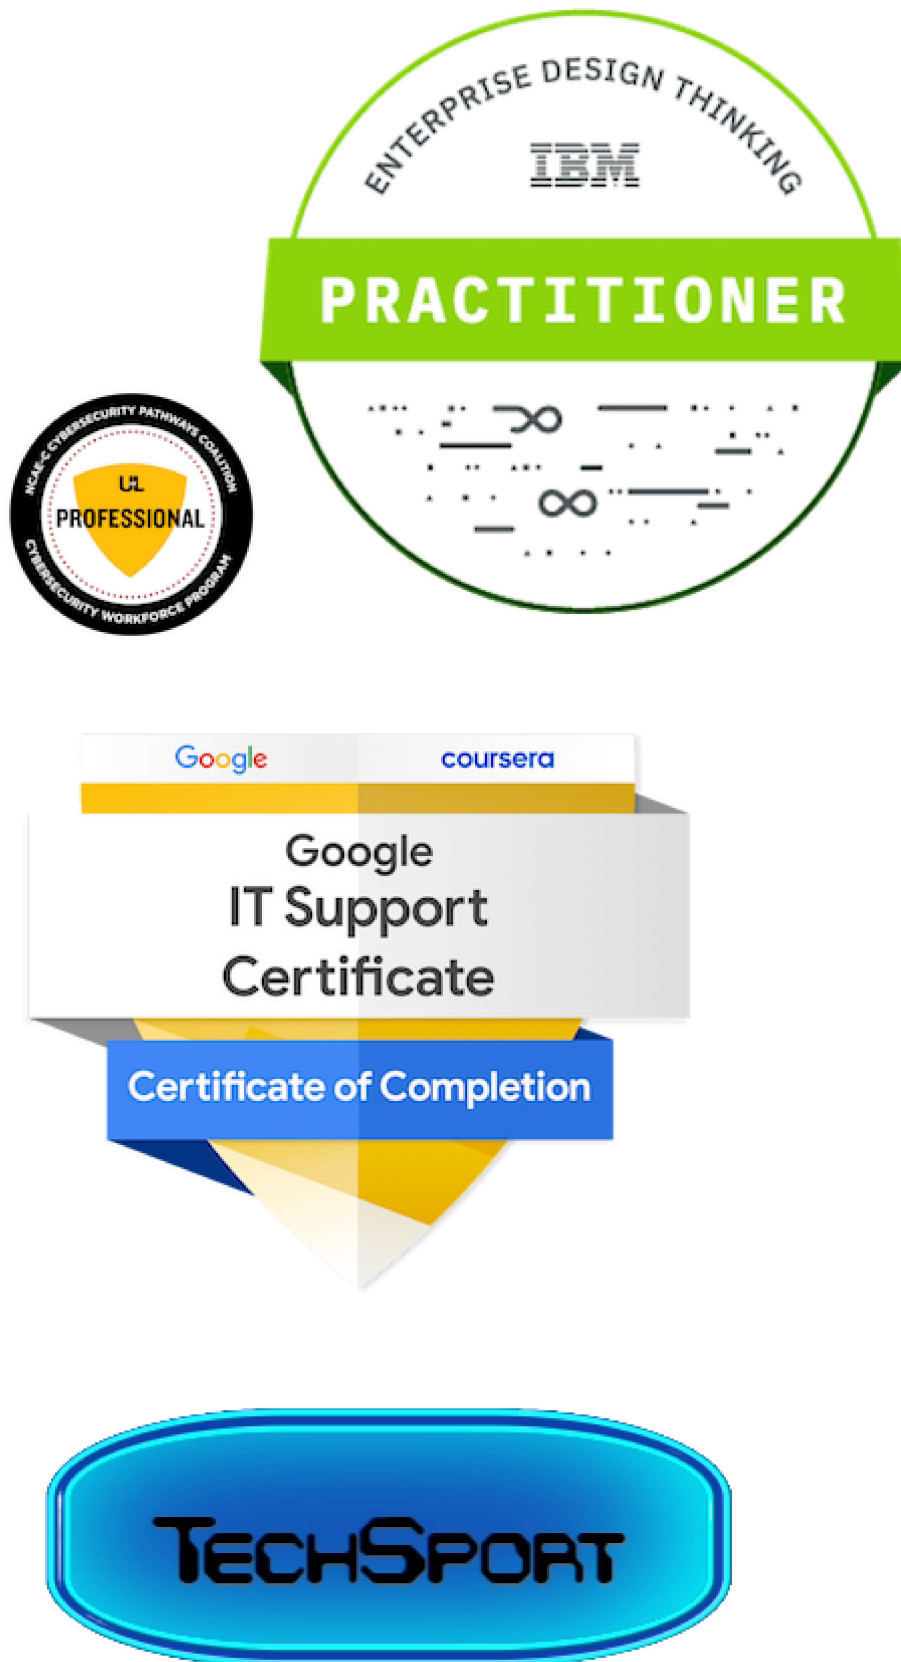

Thank you very much for your time and consideration to this long message , I truly tried to be brief as I could , There were just multiple instances I had gotten different ,

as well as no response or response in writing , about when I would ever get that report.

And its just been a long ordeal trying to get that piece of evidence I need all in all.

Thank you.
