09 / 27 / 2024	<p>On this day , - I Had to respond to another , misleading repsonse , from ms Sherry Duffy about trying to get me to leave the program after failing to maintain the site , and give me any aid.</p> <p>from:Jayke Tee <jthompsonprofessional0376@gmail.com> to:"Jones, Lakiesha" <lakiesha.jones@louisville.edu>, tim.dill@louisville.edu, Digital Transformation Center <digtrans@louisville.edu> date:Sep 27, 2024, 6:52 PMsubject:Re: Community Training information - Please read prior to lab tomorrowmailed-by:gmail.com</p>	<p>- Continued to explain and iteraithe the needs of the site , and the refusal of failure , due to a broken site , or no available working site , to both my instructor and Main IT.</p> <p>- This was the designated first and second point of contact around the issue , and Main IT seemed to not want to be caught up in my discussion with them , --- understandably.</p>	
10/02/2024 – 5:06 pm	<p>Reached the Third and Fourth , Ultimate point of contact regarding the responsibility of the site ,</p> <p>- Sherry Duffy , and Robert Kubash , as well as everyone else involved , to try and settle the issue.</p>	<p>Sherry Duffy was extremely rude towards helping me around the site , she had kept on and kept on trying to evade the situation and leave me witout the basic resources to succeed , by consistently saying mocking commentary like - “ Oh so your giving up</p>	4:00pm – 8:00pm / 4 / hrs

	<p>from:Jayke Tee <jthompsonprofessional0376@gmail.com>to:"Jones, Lakiesha" <lakiesha.jones@louisville.edu>, Digital Transformation Center <digtrans@louisville.edu>, tim.dill@louisville.edu, "Duffy, Sherry" <sherry.duffy@louisville.edu>, robert.kubash@louisville.edu date:Oct 2, 2024, 5:06 PMsubject:Ongoing I.T. support for a DLT site mailed-by:gmail.com</p>	<p>and quitting ? Okay good here is the form , are you done yet? “</p> <p>Mr Robert Kubash , although more helpful than his assistant , would only third party relay me a message from another third party vendor , one time before leaving the issue in response to my needs. After that Mr. Kubash would rush me along to say how I have exited the program and there is nothing I can do about that either.</p> <p>So to say the least , I digress to say , my response was not the most polite , but it was directly to the point and hard to be misinterpreted , around what I wanted or needed.</p>

10 / 04 / 2024 - Friday , Wakey wakey eggs and bakey. – 8:00am	<p>--- New Issue</p> <p>- UofL police decided after most likely receiving a complaint of harassment , to come and promptly knock on my door ,</p> <p>- Invade and intimidate me over the situation , (The young cop did)</p> <p>and Ask me to go down to the police station to ask me about some</p> <p>- Emails - Going on between me and another instructor ,as if he</p> <p>could not perform his job otherwise , without detaining me , and taking me to the police station.</p> <p>To the two officers surprise , when I asked them what this was about , and when they hysterically told me it about emails with someone at UofL , I immediately opened the door further and said ,</p> <p>“ Oh wow really , okay yeah great , I have a lot to talk about there as a matter of fact , let me get my shoes. “</p> <p>-----</p>	<p>-- Responded to Officer - Jacobs – needs.</p> <p>Officer Jacob , Who had a thorough investigation into me if I must say ,</p> <p>concluded that no official harassment had taken place between me and the complantant at the UofL police dept.</p> <p>- I had modestly agreed to and assured him that I would not be contacting any of the entities any further , to alleviate any concern towards that matter.</p> <p>-----</p> <p>----- I had already planned on filing charges on behalf of Article3 ,Section 1 , but after seeing and realizing this aggressive and completely out of control behavior , I had then learned that it was even more important that I continue in pressing charges over the matter at this point ,</p>	8:00am – 12:00pm / 4 hours

	<p>-- I would like to thank officer Jacob , for his truly thorough and transparent investigation.</p> <p>-----</p>	<p>So that me and my other fellow students don't fall to the same fate as myself or worse in the future. -----</p> <p>-----</p> <p>-----</p>	
10/06/2024 – the following sunday evening	<p>1.</p> <p>- I now required documents from the UofL Police Document , I needed the report , as I also did not have any follow up info directly with the officers.</p> <p>2. I walked to UofL Police Department to ask for the documents needed. I spoke to comms there ,who allowed me to speak with Sgt. Luckett.</p> <p>(Sgt. Luckett was great , and answered all of my questions.</p>	<p>-----</p> <p>I was walking to the Department today for three reasons.</p> <p>1. General questioning over my random and lovely trip to the station over a small technical issue.</p> <p>2. To request My police report , which I did from Officer Luckett. .</p> <p>3. To inquire about charges , and how to proceed , (Sgt Luckett was most helpful and useful in this manner , he seems like a pretty good cop and good Sgt.)</p> <p>-----</p> <p>-----</p>	04:00pm - 8:00pm 4hrs

10/08/2024 - Tuesday	<p>- I am now being harassed by A representative of the Digital Transformation Center ,</p> <p>Where one of their representatives , my teacher , who had decided to not continue to help me turn my work in , is taunting me to respond to her , to ask if there is ANYTHING that I need ,</p> <p>xxx- After the police came to my house over harassment , and the last thing the officer told me was its a good idea not to respond to them anymore , and we agreed on that. -xxx</p> <p>from:Jones, Lakiesha <lakiesha.jones@louisville.edu>to: jthompsonprofessional0376 <jthompsonprofessional0376@gmail.com> date:Oct 8, 2024, 6:04 AMsubject:Canceled: Cohort 8- Weekly Class Meeting- Final Class Meetingmailed-by:louisville.edusigned-by:louisville.edu</p>	<p>Oct8Tue Canceled: Cohort 8- Weekly Class Meet... 10 / 17 / 2024	Filing reort	<p>- I have now called dispatch , with UofL police , after trying to originally obtain the report , by calling and talking to an officer named Devon Hall .</p> <p>Devon was supposed to give me the report over Email , and failed and stopped responding to me.</p> <p>I went to the station last time and talked to Sgt. Luckett , who</p>	

		<p>ABSOLUTELY ASSURED me , that I would have my police report within 24 – 48 hours , from my last visit there.</p> <p>-----</p> <p>-----</p> <p>-----</p> <p>-----</p> <p>-----</p> <p>THIS TIME ,</p> <p>I will be making detailed logs of all the reporting I need done , and print them out.
